The screenshot shows the Tinkercad website dashboard. The browser address bar displays the URL: <https://www.tinkercad.com/dashboard?type=circuits&collec>. The page header includes the Tinkercad logo and navigation links: Classes, Gallery, Blog, Learn, Teach. A search bar is also present. The main content area is divided into four columns: About, Support, Follow, and the Autodesk footer. The footer column contains the Autodesk logo, the slogan "Make anything.", a language selection dropdown menu currently set to "English (Default)", and copyright information: "© 2019 Autodesk, Inc. All Rights Reserved." A red box highlights the language dropdown menu, and a red arrow points to it from below. A blue arrow on the right side of the page points downwards, labeled "下へ移動".
